

Art Industry News: A Searing Documentary About Nan Goldin's Sackler Takedown Gets an Oscar Nomination + Other Stories

Plus, FKA Twigs lends star power to museum project about endangered biodiversity and U.K. museums cut the term "mummy" from their wall texts.

NEED-TO-READ

Actor Lisa Edelstein Gets a Gallery Show – The T.V. star, from the hit show *House*, also makes paintings, and has just wrapped her debut solo exhibition “Family” at the SFA Advisory gallery in Manhattan. Just as some of her best-known roles encompass her Jewish identity, so do her works on canvas: they are based on family photos capturing candid moments, like groups of men in yarmulkes kissing family members on the cheek at a celebration.
